Moskovskiy Bol'shevik, No 142, 18 Jun 49

Miners of the "Moskvougol" Combine pledged to release 12 million rubles of working capital during 1949. During the first 5 months of 1949, they released about 18 million rubles, of which have been deposited with the State.

TULA COMBINE FULFILLS PLAN -- Vechernyaya Moskva, No 145, 20 Jun 49

The "Talaugol" Coal Combine fulfilled the half-year plan for mining and hauling coal on 17 June. The plan for development work was also completed ahead of schedule. The average daily coal production, in comparison with the first half of 1948, rose 12.7 percent. During 5 months of 1949, above-plan savings amounted to 3 million rubles.

KUZBASS TRUST COMPLETES PLAN -- Krasnoye Znamya, No 123, 27 May 49

Miners of the "Belovugol" Trust, Kemerovo Oblast, were the first in the Kuzbass to complete the 5-month plan for coal mining, and also completed the plan for all mine-preparatory work. The leading miner, "Babakovskaya" and imeni "1 Maya," have mined several hundred tons toward completion of the June plan.

COKE PLANT WANTS COOPERATION -- Izvestiya, No 144, 21 Jun 49

The turnover of working capital in the Zaporozh'ye Coke-Chemical Plant is delayed by the presence in the plant of products which have not been shipped to consumers. The Stalin Railroad System does not furnish the plant with empty freight cars regularly and in sufficient numbers. The Ministry of Metallurgical Industry USSR and its Main Coke Administration do not supply the plant with a railroad transport plan and shipping details.
